

DANZIGER KENYA

Your Source for High Quality Plant Material

We take pride in our role as a center of excellence for both the breeding and production of plants and flowers. Our State-of-the-Art facilities use cutting-edge equipment to ensure the production and supply of quality, clean plant material.

Danziger Kenya is known for its high-quality URC and cutting production of Annuals & Perennials. Additionally, it is a top-notch producer of perennial flowers sourced from other breeders' genetics.
